

Candle & Golf Ball Lamps

The Light Footprint Candle & Golf Ball lamps are designed to replace existing incandescent lamps with the same lighting and reflecting effects.

These lamps are designed with aesthetics in mind to ensure they keep with the traditional appearances.

The lamps are assembled using the highest grade components to maximise the quality and lifespan of the lamps. The lamps can work on most leading and trailing edge dimmers, with a possible dimmable range of 15%-100%.

For added safety these Light Footprint lamps are built with isolated drivers which ensure that any exposed metallic parts are free from electric current.

Technical Specification

Total Circuit Wattage	3W/5W
Working Voltage	220-265VAC
Working Temperature	-25°C/+45°C
Beam Angle	360°
Estimated Life Span	35,000hrs
CRI	>80
Lamp Base	E14 (SES) / E27 (ES) B15 (SBC) / B22 (BC)

Test Standards

EN55015:2006+A2:2009
EN61547:2009
EN61000-3-2:2006+A2:2009
EN61000-3-2:2008
EN60598-1:2008+A11:2009

3 Year Warranty

DIMMABLE
